\$ 24 million: 100 staff, + locals, comm ticks, Phils.

Largest of 33 PS projects in world.

NSAM of 1954 started worldwide (here, too).

Police discredited in final days of Diem regime —
on Diem orders, handling crowds.

4% from 22,000 to 72,000, ^{by end cal. '66.} Training 20,000 this
year. 6 weeks (too short — want 8 weeks —
but to meet quota of 20,000 this year...

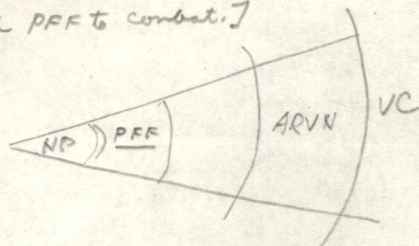

"8 weeks is absolute minimum, but..."

"Basic recruit training in Malaysia is 6-8 months."

Selection process: taking only 100 out of 3000
applicants.

PFF: to go in with ARVN: stay in area,
live with people, identify with them — produce a
feeling of security. 15,000 by end '66.

[If VC defeated, SVN will have well-armed rural
bandits; need PFF to combat.]

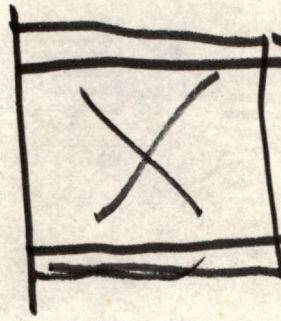

One company per Task District, 1 plt per Task
Village (neither controlled by VC or NP). Platoon is mobile,
moves around hamlets of village. Local boys, always stay
within home district.
